ONE DAY SEMINAR ON ENTREPRENEURSHIP AND CREATION OF WEALTH

08.03.2018

Organized by

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the Intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Department of CSE was established in 2007 with an intake of 60 seats. Department mission is to make innovative thinking engineers and to produce skilled software engineers. The department of Computer Science and Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full-fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

OBJECTIVE

After completing this course, you should be able to:

To make students understand the activities and theme of Corporate entrepreneurship and entrepreneurial organization, Culture of entrepreneurship

The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education.

OBJECTIVE OF SEMINAR

The Objective of this one day seminar is to provide the students and staff an understanding of the basic element of research is essential for a good research practices. Among the most important elements to be considered are variables, associations, sampling, random selection, random assignment and blinding.

RESOURCE PERSONS OF THE PROGARM

The resource persons are from eminent personalities from the industry who are able to conducting the seminar in industry oriented manner.

RESOURCE PERSON

Dr. K BHASKAR RAO
Professor

GVIT, Thunduru,

Mail id:bhaskar.kurella@gmail.com

Mobile number: 9441076525

NUMBER OF STUDENTS PRESENT: 41

NUMBER OF STAFF PRESENT: 22

OBJECTIVES OF THE PROGRAM:

- An understanding of the basic elements of research is essential for good research practices. Among the most important elements to be considered are variables, associations, sampling, random selection, random assignment, and blinding.

LEARNING OUTCOMES

- **1. Statement of the problem:** The general problem area is stated clearly and unambiguously. The importance and significance of the problem area is discussed.
- **2. Statement of causal relationship:** The cause-effect relationship to be studied is stated clearly and is sensibly related to the problem area.
- **3. Statement of constructs:** Each key construct in the research/evaluation project is explained. The explanations are readily understandable to an intelligent reader.
- **4. Literature citations and review:** The literature cited is from reputable and appropriate sources and you have a minimum of five references. The literature is

BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

(Sponsored by Swarnabharathi Educational Trust)

ONE DAY SEMINAR ON YOUTH ENTREPRENEURSHIP

17.11.2017

Organized by

DEPARTMENT OF COMPUTER
SCIENCE AND ENGINEERING

BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Department of CSE was established in 2007 with an intake of 60 seats. Department mission is to make innovative thinking engineers and to produce skilled software engineers. The department of Computer Science and Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full-fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

OBJECTIVE

After completing this course, you should be able to:

➤ To help youth workers/youth leaders to raise awareness in young people about the entrepreneurial potential of their "Youth in Action" projects`.

BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education.

OBJECTIVE OF SEMINAR

The Objective of this one day seminar is to provide the students and staff to how to initiate and mobilize sponsors and how to create fund.

RESOURCE PERSONS OF THE PROGRAM

The resource persons are from eminent personalities from the industry who are able to conducting the seminar in industry oriented manner.

RESOURCE PERSON

Dr. K BHASKAR RAO
Professor
GVIT

ELIGIBILITY

The Program is open to all the students, Teachers and PG Research Scholars of AICTE Affiliated colleges

REGISTRATION FEE

No Fee for Registration

PROGRAM SCHEDULE

- Inauguration : 9:00 to 10:00AM
- Season-1: 10:00 to 11:30AM
- Tea Break: 11:30 to 11:45AM
- Season-2: 11:45 to 1:00PM
- Lunch Break: 1:00 to 2:00PM
- Season-3: 2:00 to 3:15PM
- Tea Break: 3:15 to 3:30PM
- Season-4: 3:30 to 4:45PM

OBJECTIVES OF THE PROGRAM:

- How to initiate and mobilize sponsors
- How to create fund

LEARNING OUTCOMES

Start your funding search by reviewing the many internal funding opportunities offered by the University of JNTU KAKINADA. Depending on what your funding needs are, departments and units across campus offer a variety of funding programs and awards for researchers throughout every step of their career. Sponsors sometimes limit the number of applications that may be submitted from a single institution. In that case, internal team will announce an internal competition, and reviewers determine which proposal may go forward.

BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Department of CSE was established in 2007 with an intake of 60 seats. Department mission is to make innovative thinking engineers and to produce skilled software engineers. The department of Computer Science and Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full-fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

OBJECTIVE

After completing this course, you should be able to:

- To make students understand the what is entrepreneur and functions , characteristics of entrepreneur ,importance and need of entrepreneur.

ONE DAY SEMINAR ON INTRODUCTION TO INTELLECTUAL PROPERTY RIGHTS

03.07.2017

Organized by

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Department of CSE was established in 2007 with an intake of 60 seats. Department mission is to make innovative thinking engineers and to produce skilled software engineers. The department of Computer Science and Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full-fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

OBJECTIVE

After completing this course, you should be able to:

- To make students understand the concept of Intellectual Property, its importance and its need.

The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education.

OBJECTIVE OF FDP

The Objective of this one day seminar is to provide the students and staff how to learn subject form laboratory, How to research from laboratory and how to teach laboratory

RESOURCE PERSONS OF THE PROGARM

The resource persons are from eminent personalities from the industry who are able to conducting the seminar in industry oriented manner.

OBJECTIVES OF THE PROGRAM:

- How to learn subject from laboratory
- How to research from laboratory
- How to teach laboratory (student aspect)

LEARNING OUTCOMES

Laboratory teaching assumes that first-hand experience in observation and manipulation of the materials of science is superior to other methods of developing understanding and appreciation. Laboratory training is also frequently used to develop skills necessary for more advanced study or research.
