

### **3.4.2 Number of awards and recognitions received for extension activities from government /government recognized bodies during the last five years.**

The institution imparts Professional Ethics and Human Values as part of the academics, besides that awareness is spread through Social responsibility is passed on through the National Service scheme (NSS) and its activities.

The college sensitizes the faculty and the students on institutional social responsibilities. NSS unit of the institute regularly conduct camps in the nearby villages in order to create an insight into the societal needs in the minds of the students. This motivates the students to participate in social outreach programmes which would benefits students in nearby villages. A sample of such programme conducted includes

- Eradication of Child Labor
- Health and Hygiene
- Computer Literacy Programmes
- Girl Child Education

The students participated in programmes like energy conservation; environmental awareness etc. in the nearby villages. Awareness about Anti-ragging programme was conducted in association with Police Department. Blood donation camp strengthens the sense of empathy and compassion among donors and also instills in them a sense of commitment and ethical responsibility. Blood donation camp was organized as part of NSS activity. Many faculty and students came forward to donate blood. Apart from the above, significance of clean surrounding, hygiene, sanitation in the neighborhood, garbage disposal was also sensitized the community at large. All these initiatives created holistic environment.

Women empowerment programme created awareness among the girl students to implement their rights. All this lead to informed, balanced the responsible citizenship. All the faculty members and students practiced yoga on the occasion of Yoga Day celebrations. Various activities were conducted and multiple sensitive topics of social, political & economic significance were discussed in order to create better understanding among the students & contribute balanced development of their personalities. The NSS unit functions under the guidance of a Faculty and NSS Programme Officer. The NSS wing of college focuses on providing access and opportunities to underprivileged children in health and education.
