MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding (MoU) is effective as of **3rd August 2017** to establish an affiliation by and between

Swarnandhra College of Engineering & Technology, Seetharampuram, Narsapur, and Andhra Pradesh- 534280 hereinafter referred to as SWRN, of the FIRST PARTY,

AND

Bhimavaram Institute Of Engineering and Technology, Goraganamudi (V)- 534243, Palakoderu (Md.), West Godavari Dt., Andhra Pradesh, India having expertise in the areas of Scientific, Technological Education and Research, established in 2007 hereinafter referred to as BIET, of the SECOND PARTY, for the purpose of student's collaboration, faculty and staff collaboration in the academic and research activities.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

PREAMBLE:

Whereas, SWRN and BIET have many areas of common interest in Engineering and Sciences, considerable advantage may be gained from their pursuit on a collaborative basis in the fields of administration, academics, education and research.

Now Therefore, SWRN and BIET have decided to enter into this Memorandum of Understanding (hereinafter referred to as MoU), which defines the framework for the cooperation of the two institutions set out in the following sections.

ARTICLE 1: OBJECTIVES

Both Institutes agree to develop the following collaborative activities in the academic areas of mutual interest, on a basis of equality and reciprocity.

The two institutions shall seek to promote:

A. Research

1. Collaboration research and development, patents and consultancy studies in the field of mutual interest.
2. Undertaking joint research.
3. Co-supervising post-graduate students.
4. Conducting joint consultancy work.
5. To propose and engage jointly in research or training programs sponsored by funding agencies, and to invite each other's faculty to participate therein

B. Academics

1. The exchange of academic materials and publications.
2. Conducting lectures on specialized topics.
3. Attachment of faculty for purposes of curriculum development and review, upgrading of teaching and research skills.
4. Participating in seminars, symposiums, and other types of academic discussions.
5. To organize jointly seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein
6. To jointly organize short-term continuing education programs on topics of mutual interest and to

invite each other's faculty to participate therein

7. To use laboratory facilities in specific cases for a limited period.
8. To conduct add-on/ certificate/ faculty development programs of their mutual interest.

C. Education

1. Conducting lectures on teaching learning process.
2. To exchange information on research and educational programs.
3. To exchange information on teaching, learning material and other literature relevant to their educational and research programs.

D. Administration and Others

1. The provision of cultural and intellectual enrichment opportunities for staff and students of both institutes.
2. Mutual cooperation in accreditation NAAC, NBA process.
3. Mutual cooperation in training in administrative activities.

A specific plan will be worked out for each activity; setting forth detailed arrangements for collaboration will be agreed. Terms and conditions for each visit or an assignment or such exchange, including those concerning salary, travel funding, health insurance, and housing will be worked out between the institutes.

SWRN and BIET agree that detailed terms and conditions that guide each activity identified above will be determined separately and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation.

ARTICLE 2: COORDINATION

Each institution shall appoint one member of its teaching faculty to coordinate the programme on its behalf. Further, a coordination committee consisting of a programme coordinator from the side of SWRN, and a programme coordinator from the side of BIET, will periodically review and identify ways to strengthen cooperation between the two institutions.

ARTICLE 3: CONFIDENTIAL INFORMATION

SWRN and BIET does not absolve any confidential information during the research activity.

ARTICLE 4: INTELLECTUAL PROPERTY RIGHTS

Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design rights, rights relating to computer software, and any other industrial or intellectual property rights) developed jointly during the course of this MOU shall be vested in both institutes to this Memorandum. Both institutes shall have the joint right to determine the commercial exploitation and disposition of such intellectual property, and both institutes shall make joint applications for the registration of the same. Before any registration or commercialization of any intellectual property takes place, the institutes agree to reach a separate agreement covering issues such as exploitation rights and revenue sharing.

Any publication regarding such intellectual property shall only be possible with the prior written consent of both institutes, such consent not to be unreasonably withheld. The institutes shall be free to use perpetually the results arising out of the collaborating activities for its own internal teaching, research, educational, clinical and publication purposes without the payment of royalties or other fees to the other party.

ARTICLE 5: VALIDITY

The Memorandum shall remain in force for a period of **ONE** year commencing from effective date. Institutions may extend the term by written agreement signed by both after review.

ARTICLE 6: TERMINATION

Either institution may terminate the MoU by giving written notice of six months in advance to the other institution. Once terminated, neither SWRN nor BIET will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, SWRN and BIET will ensure that the provisions of this Memorandum shall continue to apply to all activities in progress until their completion.

ARTICLE 7: AMENDMENTS/MODIFICATIONS

This MoU may be amended or modified by a written agreement signed by the representatives of both institutes.

ARTICLE 8: ADHERENCE TO LAWS

Participating faculties, staff and students involved in any activities under this Memorandum must adhere to rules and regulations of the host institutions.

ARTICLE 9: LEGAL EFFECT

Nothing in this Memorandum shall be construed as creating any legal relationship between the institutes. This Memorandum is a statement of intent to foster genuine and mutually beneficial collaboration.

ARTICLE 10: DISPUTE RESOLUTION

In case, there be a dispute relating to any aspect of academic cooperation, Principal, SWRN and Principal, BIET will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility. SWRN and BIET welcome the establishment of this Memorandum for cooperation and jointly agree to the provisions as set out above.
