## BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

### ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is – to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education.

### OBJECTIVE OF FDP

The Objective of the FDP is to provide the industry relevance exposure in the emerging technologies and experience the staff to develop their curriculum to teach and demonstrate in regular intervals. This FDP provides the wide range of experience in the IT and Non-IT industry. This workshop provides the confident in the PG Research scholars and professional teachers to enable their experience in wide range areas of proposed title. The FDP proposed that this FDP is the bridge between our esteemed educational institution and industry.

### RESOURCE PERSONS OF THE PROGRAM

### Program Coordinator:

Mr. I Srinu, Assistant Professor, Department of EEE

### Objectives of FDP:

- To gather professionals working at the intersection of electric vehicle technologies to discuss the difficulties in controlling and operating new generation electrical systems
- It has to discuss battery selection, electric motor selection for specified capacity vehicles, and battery charger design for electric vehicle applications.

### Outcomes of FDP:

The FDP is intended to facilitate the faculty to enhance the Knowledge on and advanced information on new generation electrical systems, motor for Electrical vehicles and battery charger design etc.

## BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women.

Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

### ABOUT HOSTING DEPARTMENT

#### **Objectives of FDP:**

- Impart knowledge o the various factors governing the Engineering behavior of soils and the suitability of soils.
- To Characterize – stress- strain behavior of soils.

#### **Outcomes of FDP:**

- It helps Prevent complications before they happen. Without the advanced calculations and testing provided by a geotech, buildings could see significant damage after an earthquake.

### **Conclusion:**

Geotechnical engineering is a sub-discipline of civil engineering and can be defined as the use of earth material(soil and rock) for improving and defending society and life. Until about the last hundred years geotechnical engineering was largely Empirical and based on observation and careful reflection.

**Program Coordinator:**

Mr. J.S.S. Ramaraju, Associate Professor, Department of ECE

**Objectives of FDP:**

- This Faculty Development Program aims at improving participant's knowledge in the field of electronics and latest trends.
- To learn real world applications of electronics in the field of communication and medical instrumentation.
- To provide an opportunity for academicians and researchers to learn, enrich, and enhance their knowledge with hands-on deployment skills in order to develop various electronic related projects.

**Outcomes of FDP:**

- Participants will be able to understand the fundamentals of IOT & its applications
- Implement IOT systems using Raspberry Pi.
- Recognize research problem in the field of IOT

## BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women.

Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment.

The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

### ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is – to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education.

### OBJECTIVE OF FDP

The Objective of the FDP is to provide the industry relevance exposure in the emerging technologies and experience the staff to develop their curriculum to teach and demonstrate in regular intervals. This FDP provides the wide range of experience in the IT and Non-IT industry. This workshop provides the confident in the PG Research scholars and professional teachers to enable their experience in wide range areas of proposed title. The FDP proposed that this FDP is the bridge between our esteemed educational institution and industry.

### RESOURCE PERSONS OF THE PROGRAM

The resource persons are from eminent personalities from the industry who are able to conducting the FDP in industry oriented manner.

### RESOURCE PERSON-1

**Dr.S Gopinadh**

Associate Professor

Swarnandhra Institute of Engineering and Technology

### RESOURCE PERSON-2

**Mr. V Srinivas**

Associate Professor

Swarnandhra Institute of Engineering and Technology

### ELIGIBILITY

The Program is open to all the Teachers and PG Research Scholars of AICTE Affiliated colleges

\* Fee for Registration Rs 500/-

### PROGRAM SCHEDULE

- Inauguration : 9:00 to 10:00AM
- Season-1: 10:00 to 11:30AM
- Tea Break: 11:30 to 11:45AM
- Season-2: 11:45 to 1:00PM
- Lunch Break: 1:00 to 2:00PM

## BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

### ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is - to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education. The Department of ME was established in 2012 with an intake of 60 seats. Department mission is to make innovative thinking engineers and to produce skilled design engineers. The department of Mechanical Engineering has progressed with a strong determination to developing competent designs, uncompromising in standards. The department has full-fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

### OBJECTIVE OF FDP

The Objective of the FDP is to provide the industry relevance exposure in the emerging technologies and experience the staff to develop their curriculum to teach and demonstrate in regular intervals. This FDP provides the wide range of experience in Design and Manufacturing industry. This workshop provides the confident in the PG Research scholars and professional teachers to enable their experience in wide range areas of proposed title. The FDP proposed that this FDP is the bridge between our esteemed educational institution and industry.

### RESOURCE PERSONS OF THE PROGRAM

The resource persons are from eminent personalities from the industry who are able to conducting the FDP in industry oriented manner.

### RESOURCE PERSON-1

Mr .Chennupati Vijaya Kumar  
sai spurthi institute of technology

### RESOURCE PERSON-2

Mr. Kotamsetty Bhaskara Mutyalu

## PROGRAM REPORT

**Date: 23.11.2021**

**Name of the Program:** A One Week FDP on “Deep Dive Understanding of Artificial Intelligence”

**Duration:** 15.11.2021 to 20.11.2021

**Venue:** Seminar Hall, Academic Block

### **Resource Person's:**

- 1) Dr. RAMAPATRUNI RAMBABU REDDY  
PROFESSOR  
Rajamahendri Institute of Engineering and Technology  
9440218157  
[rambabureddy.rampatrni@gmail.com](mailto:rambabureddy.rampatrni@gmail.com)

### **Program Coordinator:**

Mrs. G Sushma, Assistant Professor, Department of CSE

### **Objectives of FDP:**

- To learn the basics of Artificial Intelligence and various ways in which Artificial Intelligence is related to the real world
- To learn about Python basics and tools used to run the Python code.
- To learn about installation of Pycharm and Python Interpreter 3.8.2
- To learn and discuss the COVID 19 case using Python programming.
- To learn about Machine Learning using Google Colab software and analyze the data using Python Programming Language.

### **Outcomes of FDP:**

- Understand the elemental concepts of MATLAB, including the toolboxes related to AI and others.
- Have a good understanding of the fundamental issues and challenges of machine learning: data, model selection, model complexity, etc.
- Have an understanding of the steps used in Data Extraction, Cleaning and Pre-processing etc.
- Appreciate the underlying mathematical relationships within and across Machine Learning algorithms and the paradigms of supervised and unsupervised learning.

## BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

## ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is – to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education. The Department of CSE was established in 2007 with an intake of 60 seats. Department mission is to make innovative thinking engineers and to produce skilled software engineers. The department of Computer Science and Engineering has progressed with a strong determination to developing competent programs, uncompromising in standards. The department has full-fledged faculty members with experience in industry and teaching, which leads the students to get employment in the market. The department encourages the faculty members and the students to participate paper presentations, seminars, workshops and National and International conferences.

## OBJECTIVE OF FDP

The Objective of the FDP is to provide the industry relevance exposure in the emerging technologies and experience the staff to develop their curriculum to teach and demonstrate in regular intervals. This FDP provides the wide range of experience in the IT and Non-IT industry. This workshop provides the confident in the PG Research scholars and professional teachers to enable their experience in wide range areas of proposed title. The FDP proposed that this FDP is the bridge between our esteemed educational institution and industry.

## RESOURCE PERSONS OF THE PROGRAM

The resource persons are from eminent personalities from the industry who are able to conducting the FDP in industry oriented manner.

## RESOURCE PERSON-1

Dr. RAMAPATRUNI RAMBABU REDDY

## BHIMAVARAM INSTITUTE OF ENGINEERING & TECHNOLOGY

Swarnabharathi Educational Trust has established Bhimavaram Institute of Engineering and Technology in 2007 in Bhimavaram with the view to meet the growing demands for technical education in the country. The College is located in a serene and pollution free environment at Pennada 6 km from Bhimavaram on Palakol and Pamarru Road. The campus is spread over 20 acres of scenic landscape is an ideal place for educational pursuits. It is well connected by road & rail. The labs, class rooms, information centre etc are uniquely designed and built to endow the students a hassle free environment to pursue their intellectual development.

Bhimavaram Institute of Engineering & Technology is unaided - Private Institute Located at Bhimavaram in Andhra Pradesh. The Address Of The Institute Is Gnanananda Ashram Road Pennada (Village) Palakoderu Mandal, West Godavari. It Operates Under The Parent Organization Swarnabharathi Education Trust. The Institute Started Its First Course In 2007. Bhimavaram Institute Of Engineering & Technology Is Open For Both Men And Women. Bhimavaram Institute Of Engineering & Technology Is Open For All Sections Of Society. The vision of our institute is to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment. The Mission of the intuition is to attract and retain knowledgeable, creative, motivated and highly skilled individuals whose leadership and contributions uphold the college tenets of education, creativity, research and responsible public service.

### ABOUT HOSTING DEPARTMENT

Bhimavaram Institute of Engineering & Technology was established in the year 2007. The Institution was started with five AICTE approved undergraduate programmes in Departments of Electrical and Electronics Engineering (EEE), Electronics and Communications Engineering (ECE), Computer Science and Engineering (CSE), Departments of Civil Engineering (CE), Mechanical Engineering (ME) with an overall intake of students 360. The Vision of this Institute is - to be a leading institution of engineering education and research, preparing students for leadership in their fields in a caring and challenging learning environment and the mission is to produce quality engineers by providing state-of-the-art engineering education.

### OBJECTIVE OF FDP

The Objective of the FDP is to provide the industry relevance exposure in the emerging technologies and experience the staff to develop their curriculum to teach and demonstrate in regular intervals. This FDP provides the wide range of experience in the IT and Non-IT industry. This workshop provides the confident in the PG Research scholars and professional teachers to enable their experience in wide range areas of proposed title. The FDP proposed that this FDP is the bridge between our esteemed educational institution and industry.

### RESOURCE PERSONS OF THE PROGRAM

The resource persons are from eminent personalities from the industry who are able to conducting the FDP in industry oriented manner.
