(Approved by AICTE, New Delhi & Affiliated to JNTUK Kakinada)

Goraganamudi (Village), Pennada Grama Panchayat, Palakoderu Mandalam,
West Godavari District, Andhra Pradesh 534243

Phone: 088162 36877, email: principal@bietvrm.ac.in www.bietvrm.ac.in

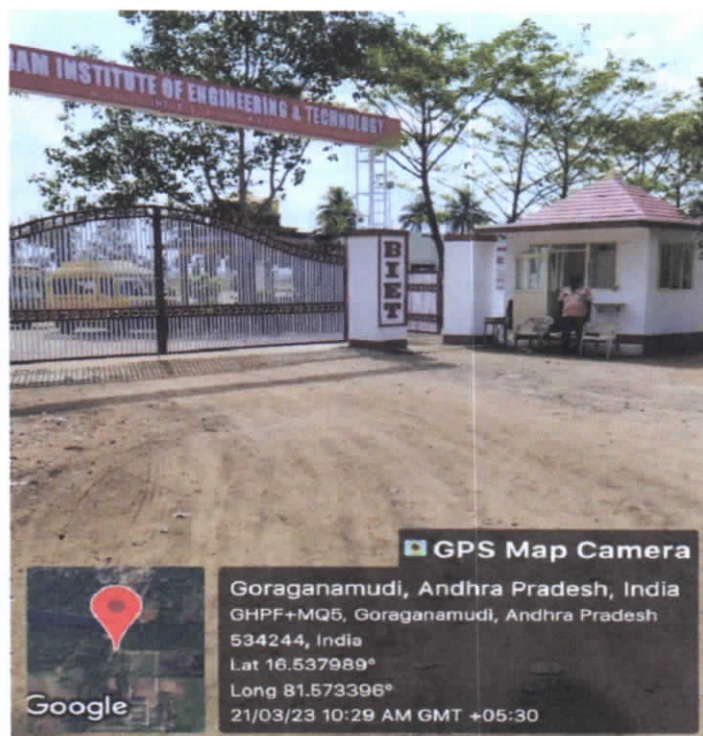

7.1.3 Clean and Green campus initiatives :

1. Restricted entry of automobiles
2. Use of bicycles /battery powered vehicles
3. Pedestrian friendly path ways
4. Ban on use of plastic
5. Landscaping with trees and plants

1.Restricted entry of automobiles

BIET doesn't allow all the vehicles enter into the campus premises and can enter the vehicles of college staff and students only. We protecting the environment with maintaining green campus.

- Any vehicle can enter in the campus after permission from security at the entrance.
- In our college campus restricted automobile can enter and most of them park in the parking zone only.
- Only the network of our college can enter with their vehicles.

4. Ban on use of plastic:

BIET celebrating the world environment day on every 5th of June and organizing the activities related environment protection.

- A pledge was taken by the members of the college community concerning “**Take away the use of plastic**”. In the campus to beat the plastic pollution.
- Every one in the campus took initiatives to make the campus “**Plastic free zone**”.
- Volunteers of NSS rotaract took major part in such type of activities by conducting rally and awareness activities such as SWACHHA BHARAT ABHIYAAN, Clean and green environment day in addition with earth day, energy conservative day in the around the college.
- Main motto of conducting such type events is only ban of plastic, ban of carry bags, ban of polythene to save our lives.

5. Landscaping with trees and plants

BIET takes proud initiatives of plantation inside the campus for green campus.

The spaces in between the academic blocks have beautifully landscaped lawns. BIET distributing the plants to all the staff students every year.

- We greatly promoting the plantation of medicinal plants along with nursery in the campus every year.
- College take the advantage of free plant from nursery and plantation takes place in and outside the campus every year with support of NSS rotaract volunteers.
- Our college impressively traditional banana trees, mango, guava fruits plants and beautiful flower plants other than medicinal plants.

Department of Electronics and Communication Engineering SWACHH BHARAT

Academic year : 2022-2023

Date:22-09-2022

Report on Swachh Bharath

To bring about an improvement in the general quality of life in the rural areas by promoting cleanliness, hygienic and eliminating open defecation. To accelerate sanitation coverage in rural areas to achieve the vision of Swachh Bharat by 2nd October 2022 with association of our college NSS unit in part of the event 5 staff members and 80 students of ECE & CSE conducted SWACHH BHARAT programme on 22-09-2022 in the campus to motivate communities to adopt sustainable sanitation practices and facilities through awareness creation and health Education and to encourage cost effective and appropriate technologies for ecologically safe and sustainable sanitation. To develop, wherever required, community managed sanitation system focusing on scientific solid and liquid waste management systems for overall cleanliness in the rural areas. To create significant positive impact on gender and promote social inclusion by improving sanitation especially in marginalized communities.
