7.1.4 Institution provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. Different sports and cultural activities organized inside the college promote harmony towards each other. Commemorative days like Women's day, Yoga day, Cancer day, AIDS day along with many regional festivals like Sankranti and Dasara are celebrated in the college. This establishes positive interaction among people of different racial and cultural backgrounds.

Institute has code of ethics for students and a separate code of ethics for teachers and other employees which have to be followed by each one of them irrespective of their cultural, regional, linguistic, communal socioeconomic and other diversities.

Equal opportunities are provided to the students to participate in various activities conducted irrespective of their caste, creed, religion and region. The institution has an NSS wing to inculcate a sense of unity, discipline and harmony. The activities undertaken by NSS unit in our institution mitigate the socioeconomic diversities and progress them towards leading a tolerant and harmonious living.

Anti-ragging cell acts as a key factor in maintaining tolerance and harmony among students. A single incidence of ragging has not been reported since inception which shows the efficient working of the cell. Grievances redressal committee is also constituted to address the grievances among students to maintain harmony in the college.

BIET celebrates national and international commemorative days and events to treasure the moments and instill a sense of meaning and significance in the lives of students and staff. The days are a reminder to cherish the achievements of our founding fathers. Some of the days celebrated in the institute are:
